KITCHENER MEDICAL SERVICES SCHOLARSHIPS

The Scholarships are limited in number, at present to five each year, of which two are for applicants for service in the Royal Navy, two for the Army and one for the Royal Air Force. The value of each Scholarship is dependent on the financial resources of the scholar's family. The Scholarships are granted on the condition that the scholar, on becoming qualified to practise medicine and surgery, will apply at once for a commission under the current Regulations in the Medical Branch of the Service for which he was selected and that, if granted such a commission, he will render not less than five years' actual service on full pay; if, however, he does not continue in the Service and serve for at least fifteen years, the money spent by the Service on his Scholarship will be deducted from any gratuity that may be due to him on relinquishing his commission.

Applications can be received only in January or February of each year, and must be made on an application form obtainable as below.

THE "FORGOTTEN MEN"

Records show that many of the 45,000 veterans of the 1914–18 War overcame the handicaps imposed by amputation and the majority are leading full and useful lives today. But there were others, too. What of them? Did they find the struggle too hard—did they *all* have a fair chance? The 1939–45 War has created a further 10,000 limbless.

B. L. E. S. M. A. is doing everything in its power to help **ALL** limbless men and to see that they are **ALL** given the best chance—that a future of inevitable unemployment and neglect shall not be their lot . . . that they shall never join the ranks of the "Forgotten men".

The State machinery can only render assistance in general terms
B. L. E. S. M. A. concerns itself with **individual cases**

★ **Will you make them your concern too?**

Belief in their ability to earn their own living will go a long way to restore to the war-blinded their cherished sense of independence. St. Dunstan's teaches war-blinded Servicemen and women skill in many crafts and professions, and the high cost of their training and welfare is met entirely by voluntary funds. Please think of St. Dunstan's when legacies are being discussed.

St. Dunstan's
is not a hospital in the sense of the National Health Service.
